

Membership Application

Please fill in the following in block capitals, in black ink.

This completed form should be brought to one of Section 8's fortnightly walkon games for initial verification, along with at least one of the listed forms of I.D. Photos may be brought at this point, or emailed. If a player wishes to be added to the UKARA database, they should bring that form with them also (Note : Players are responsible for sending UKARA forms to their chosen retailer).

This form should be retained by the player in question, and brought to a further two games over no less than two months of the first stamp.

At the third game, the form will be retained by Section 8 Airsoft, and a membership number will be generated. As of January 2010, membership is free of charge. Personal information will not be passed on to any third party without permission .
